

A Level Art

**Art is not what
you see but what
you make others
see.**

Why choose this subject?

In this Art, Craft & Design course, you'll build a range of creative skills by exploring Drawing, Painting, Mixed Media, Photoshop and 3D techniques. You'll learn to research, gather, and organize visual information, analyse and discuss images and objects, and develop your own artistic interpretation of starting points and themes.

What will I study?

Studying the work of artists, craftspeople and designers will help you develop new ideas and inspire your own practice. By the end of the course, you'll be able to express ideas in different visual, tactile, and sensory forms enabling you to be industry ready for your next steps as an Artist, Craftsperson or Designer.

Where can this subject take me?

This course provides a strong foundation for careers in Graphic Art & Design, Illustration, Tattoo Art, Interior Design, Fashion, Product Design, Fine Art, Art Therapy, Animation, Curation, Set Design, Games Artist, Film & Television Concept Artist and Artistic Education based Practitioners.
