OCR L3 Business

Thinking of a career in marketing, banking, accounting, project management or HR?

Why choose this subject?

OCR Level 3 Business is an engaging and forward-thinking course that helps you make sense of how organisations operate in the real world. Through practical learning and collaborative projects, you'll develop confidence, analytical thinking, and a deeper understanding of the forces that shape modern business. This qualification is assessed through a combination of examinations and coursework.

What will I study?

You will investigate the internal workings of businesses and the external constraints they work with. You will also explore the different influences there are on businesses and how they respond.

Where can this subject take me?

This qualification could lead to many higher education courses including those related to business such as; finance, marketing and human resources, as well as business administration apprenticeships.

Entry Requirements

4 GCSE English

4 GCSE Maths

Prior study of Business Studies GCSE is helpful but not essential.
