

Extended Project Qualification

**Your Passion!
Your Project!**

Why choose this subject?

Serial Killers, Nuclear Power, Fashion, Politics, Formula 1, etc, etc. The choice is yours. This 1 year course is designed to stretch and challenge the most dedicated students.

What will I study?

You will learn how to produce your project using university level techniques like Harvard Referencing, higher level essay writing skills, time management, critical thinking and presentation proficiency.

Where can this subject take me?

EPQ is valued by universities and employers alike, and can lead to lower grades required for university places and provide a more competitive edge in interviews.

Entry Requirements

There are no specific entry requirements, but a GCSE average of grade 6+ is recommended.

This is a one-year course studied alongside your other subjects.
