

AS Level French

Develop spontaneous language & confidence. Explore Francophone culture. Considerably increase employability & expand global opportunities

Why choose this subject?

Use it or lose it! Studying AS French alongside your A Levels builds fluency, spontaneity, and understanding. You'll sit the AS exam at the end of Year 12, gaining a valuable qualification that strengthens any university application.

What will I study?

As with A Level, you will have the opportunity to speak in French in every lesson. You will discover more about the culture of Francophone countries as well as refine your analytical, translation and linguistic skills. You can also choose to continue onto the full A-level.

Where can this subject take me?

Your learning in will be focused around stimulating topics such as the media (music and film), target language speaking countries, social and contemporary issues, as well as a book.

Entry Requirements

6 GCSE French

This is a 1 year course to be studied in addition to your other subjects.
