

AS Level German

**Develop spontaneous language & confidence.
Explore German culture.
Considerably increase employability & expand global opportunities**

Why choose this subject?

Use it or lose it! Studying AS German alongside your A Levels builds fluency, spontaneity, and understanding. You'll sit the AS exam at the end of Year 12, gaining a valuable qualification that strengthens any university application. In collaboration with the Goethe Institute (London) small group sizes mean plenty of speaking practice, and expert staff will support your progress across all key skills—speaking, listening, reading, writing, and translation.

What will I study?

As with A Level, you will have the opportunity to speak in German in every lesson. You will discover more about the culture of German speaking countries as well as refine your analytical, translation and linguistic skills. You may have the opportunity to visit the Goethe Institute to participate in face-to-face sessions. You can also choose to continue onto the full A-level.

Where can this subject take me?

Your learning in will be focused around stimulating topics such as the media (music and film), target language speaking countries, social and contemporary issues, as well as a book.
